

Integrate Teaching Strategy

Investigation 1, Student sheet #5
or Common writing Assignment for Levers & Pulleys
Do after 1st experiment

INTEGRATE TEACHING STRATEGY

Name of Curriculum: Levers and Pulleys

Grade Level: 5th

Where in the curriculum will you include a CER learning task (e.g. topic, lesson, pages)?

After 1st experiment

What question will you ask students?

Identify which student's claim is correct?
Use CWA right after 1st experiment
for levers and Pulleys

Write an example of the Claim, Evidence, and Reasoning (if applicable Rebuttal) that you would like your students to construct.

I believe that _____ is _____

Figure # one shows

Figure # 2 shows

In our class experiment we learned that

Since the fulcrum on figure _____ is _____
from the load/effort this is what is true

Therefore

Evidence

Reasoning

Integrate Teaching Strategy

Use the table with teaching strategies to consider a strategy to incorporate into your next lesson. Describe below the teaching strategy you will integrate into the lesson.

Peer critique / Whole class
Review CER

Discuss framework
Model framework

Vocabulary: content

Review difference / purpose of evidence and reasoning

Talk about audience
